

SPONSOR A FARM TOUR FIELD TRIP

for students in your community on a local dairy farm!

Each year our innovative Adopt a Cow Program shares dairy's story with students across the globe and right in your local community. Through sponsoring Field Trip Grants, which are an extension of this program, you have an opportunity to give more students a direct, on-farm experience to supplement what they're learning through Adopt a Cow. A farm you work with is part of our Adopt a Cow Program to give students a firsthand look at a working dairy farm. Help them and us inspire young minds about agriculture by supporting this program.
