

Farm Tour Video BINGO Activity

Instructor's Guide

Activity Introduction

Dairy Farmers work hard to take care of your adopted calf. In this activity, students will take a virtual tour of their host farm and learn how the farmer cares for the cows and the farm. During the video, students will play dairy bingo while watching for specific dairy items in the video.

Materials Needed

- Bingo Boards
- Bingo Markers
- Glue Sticks
- Scissors
- Internet
- Multimedia projector and screen

Time: 30 - 45 minutes

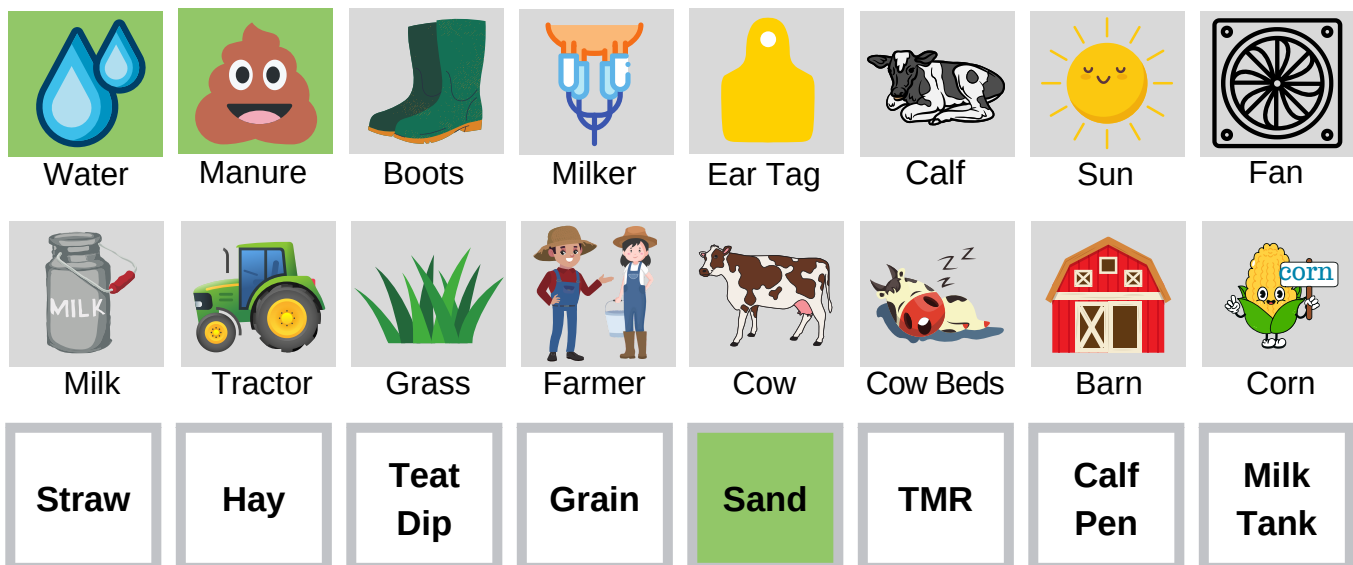

Directions

1. Print and hand out a bingo card and bingo card direction sheet to each student.
2. Students can create their own bingo card with the farm item squares that are provided.
3. Each student should cut and paste the squares on their bingo cards.
4. Review the farm icons with the students using the Icon Key below.
5. Watch an Adopt A Cow Farm Tour video on the [Dairy Excellence Foundation YouTube Channel](#).
6. As the students watch the Farm Tour video, they should be looking for the farm items that are on their bingo board. As they see the farm items in the video, mark the bingo spot with a marker like a bingo chip, pieces of paper, erasers, or other classroom items.
7. When a student has five marked spaces in a row, they should say BINGO!

Discussion Questions

1. Tell us one responsibility of a dairy farmer.
2. What do dairy cows eat?
3. How are the dairy cows kept comfortable on the farm?
