

MEET CURIOUS CLOVER

Hello Friend!

We are excited to introduce you to Clover, a calf we read about in class who is curious about the world around her. We met Clover in the book, *Curious Clover*, and followed her on her adventure from the dairy farm to the grocery store.

We need your help! Clover wants to travel all over the country and world. Here is how you can help:

1. Enjoy the personally designed and colored Clover included with this letter. If you'd like to make your own Clover, you can go to discoverdairy.com/curiousclover to print and color your own.
2. Take the personalized Clover with you to places and businesses in your local community or take her on trips and vacations. You can even send Clover in the mail to other friends and family to explore other faraway places. The possibilities are endless!
3. Capture photos of your journey with Clover and share them with your student's teacher.
4. Share your photos on social media, using the hashtag #WheresCuriousClover and tagging Discover Dairy.
5. Follow Clover's adventures from around the world by scanning the QR code below to view the [Clover Corner](#) page.

Have fun on your adventures with Clover!

All Our Best,
The Discover Dairy Team
Dairy Excellence Foundation
