

# WHAT IS THE ADOPT A COW PROGRAM?

Dear Family & Friends,

Our senior center is participating in the Adopt A Cow Program and has adopted an actual live calf growing up on a dairy farm. Her name is \_\_\_\_\_ from \_\_\_\_\_ (dairy farm), located in \_\_\_\_\_.

Our calf will not be living in our facilities but will continue to live on the farm by our host farmer. We will receive monthly updates about her that include information, pictures, and videos. These updates include lessons and activities related to her growth, how she is cared for on the farm, and how milk is produced on the farm.

We are excited to follow her journey on the farm while learning more about dairy farming and where milk comes from.

To see the calf photos too, scan one of the QR codes to download the Discover Dairy app. Use the Cow Code \_\_\_\_\_ to access our farm and calf information.

Thanks,
